BOOKLESS, John

My name is John Bookless and I am seeking re-election as Councillor to the Shire of Bridgetown Greenbushes.

I have lived and worked in the Shire for 12 years and been a Councillor for the past 4 years. I live in Kangaroo Gully with my wife and two teenage girls.

Most of you will know me from Mitre 10 and marching the troops down the Highway on Anzac Day.

Apart from military service overseas, I have also worked in the State Government as Private Secretary to many Ministers on both sides of politics. I have also owned and operated my own business, so know the challenges that this sector faces.

I bring to Council wisdom, knowledge and common sense, with the perspective of youth around me.

As an active member of the community, I will represent you in Council matters fairly and forthrightly.
