BOYLE, Julia Ann

I have lived in the Bridgetown-Greenbushes Shire for 36 years. I am involved in many and varied local community groups. I'm re-nominating for a third term on Council and will continue to offer an independent and thoughtful viewpoint on all Council issues.

I believe that I have a positive contribution to make to the well-being of the Community I love.

I add to the diversity of local representation and help people address their concerns on Council issues. I bring a wide and varied experience to Council, having worked and volunteered for decades with numerous local community groups.

I very much value the relaxed and open lifestyle that so many Bridgetown-Greenbushes residents have known all their lives, and enjoy seeing new residents discover all that the Shire has to offer.
