Currently the General Manager of Geegeelup, with a financial and legal background, experience in mining and banking, coupled with a love for our environment. I can contribute to Business and Strategic Plans and ensure a whole team approach to governance and administration.

I am a father of 2 children and we understand the importance of lifestyle and decisions affecting all members of our community. As a musician and small business owner I relate to the artistic side of our shire and hope to make positive contributions with professional, ethical decisions based on extensive community consultation.

I will promote transparency and accountability, and wish to help create a vibrant, happy and prosperous shire where everyone is treated with respect and whose opinions are heard and acted upon.
