SANDBERG, Marta

Hi,

My name is Marta Sandberg and I live on a farm between Bridgetown and Greenbushes. I consider myself as retired as you can be if you still own a farm. I worked as an accountant and have held the position of CFO (Chief Finance Officer) for the Shire of Brookton. That is where I developed an interest in how (and why) councils works.

If I am elected, I will pay close attention in the financial health of this shire. We need to collect rates and fees to pay for the services that makes this such a great town to live in, but the money should be spent wisely and prudently.

Bridgetown is also a great place for volunteers – they have to be encouraged. And our beautiful environment has to be treasured. As with most farmers I am (g)reen at heart.

Please contact me if you have any questions.
