

COVID-19 SAFETY

Information for Hirers of Shire Halls

Following the State Government relaxing of COVID-19 Safety Restrictions on 6 June 2020, Shire halls are now available for hire with increased patrons. In line with ongoing State Government COVID-19 safety measures, protocols have been set as follows:

1. All hall hirers must create a COVID Safety Plan (Sport & Recreation), as per the Government's COVID Safety Guidelines – Sport & Recreation (Phase 3, Version 1.0)
2. The Shire is not required to approve the COVID Safety Plan but as owner of the hall will review the Plan prior to any booking being finalised.
3. A tentative hall hire booking may be made, however a COVID Safety Plan with attached Certificate must be submitted (and reviewed) prior to payment and finalization of the booking.
4. Once the COVID Safety Plan has been reviewed payment may be made and the booking confirmed.
5. Patron numbers must comply with current restrictions. Please see permitted numbers below for each hall, according to indoor social distancing requirements of 2m² per person.
6. The Certificate included in the COVID Safety Plan print-out must be displayed in an appropriate position during the event for patrons to see, as per the guidelines.
7. Conditions of cleaning must be met at the completion of the event, as per the Shire Booking Form.

Bridgetown Civic Centre

Main Hall: 100 patrons plus staff/event organisers

Bridgetown Lesser Hall: 52 patrons plus staff/event organisers

Greenbushes

Greenbushes Hall: 80 patrons plus staff/event organisers
