

Kerbside Hard Waste Collection 2022

BRIDGETOWN, GREENBUSHES, HESTER

28th November— 2nd December 2022

The Shire of Bridgetown-Greenbushes is providing a **FREE** kerbside hard waste collection service. This will **ONLY** be available to residential properties that have an existing Roadside Rubbish Collection Service.

- Please have your items out **no more than 1 week** before the collection date on the verge (fronting your property only) in a way that does not pose a danger or inconvenience to others.
- Please **do not obstruct** footpaths or essential services such as fire hydrants, sewer or stormwater access, telecommunications, electrical transformers or power domes.
- Items longer than 2 meters will **not** be collected.
- A **maximum** of 3 cubic meters of waste will be collected per property. Properties with more than 3 cubic meters of waste will have to make private arrangements to have it removed.

This service can collect

- Furniture
- White goods
- Electrical Waste
- (E-Waste)
- Fridges & freezers
(doors removed)
- General bulky hard waste
- Carpets, lino
- Other household goods (toys, pots/
plants)

This service cannot collect

- Mattresses
- Asbestos
- Hazardous material
- Green waste
- Tyres
- General waste (small items that fit in
your weekly waste bin)
- Liquid waste
- Building waste (brick, concrete, etc.)
- Vehicle parts

Metals and E-Waste **MUST** be separated from other materials.
