## IMPORTANT INFORMATION FOR DOG OWNERS

In 1987 extensive changes were made to the Dog Act in an effort to address some increasing problems associated with the keeping of dogs in our community.

The most important of these changes is that dog owners must provide means on their property to effectively confine their dog.

PLEASE NOTE – means for effectively confining the dog within the premises does not include tethering.

Another important change is the very significant difference in the registration fees for sterilised and unsterilised dogs as indicated over the page and you are therefore urged to consider the long term financial benefits of having your dog sterilised.

In addition to the dog registration number tag it is also recommended that each dog has a tag on which is inscribed the owners contact details. These are obtainable from the R.S.P.C.A., Pet Shops and other sources.

### PLEASE NOTE:

1. Definition of a **WORKING DOG** for concessional licensing purposes is as follows:
  - a. Dogs used for droving or caring of stock.
2. Definition of a **PENSIONER** for concessional licensing purposes is as follows:
  - a. A person issued with a Pensioner Concession Card i.e.:
    - i. Aged Pension
    - ii. Invalid Pension
    - iii. Widowed Pension
    - iv. Supporting Parents Pension
    - v. Carer's Pension
3. Maximum number of Dogs to be kept on any premises is two (2) over the age of three (3) months (dispensation can be given to keep more than two (2) dogs in some cases, but subject to written request to Council and certain other conditions being met). On any rural property, defined as a property outside the town site boundaries, the number of dogs permitted to be kept on the premises is four (4).
4. To licence a dog under sterilised concessional rates and owner or agent should either have a veterinarian's certificate or be prepared to sign a statutory declaration to that effect.

Dog owners are also reminded that dogs three months and over must be registered at all times. Council also requests that dog owners inform Council immediately of any change in ownership, the death of a dog, or change in address.

Failure to register a dog may result in a \$500.00 penalty under the Dog Act.
