## CARROLL, Leigh

Leigh Carroll moved to Bridgetown 6 years ago and lives on a farmlet. His wife & daughter have run a shop on Hampton St since coming here. His granddaughters attend local high & primary schools. These life situations aid in knowing the needs of a community.

Leigh is treasurer of the Bridgetown Agriculture Society & Blackwood River Community Radio. Leigh in talking with locals on semi-rural radio programs, attained insight on the need to balance existing social structure while satisfying new residents.

Leigh's involvement in major WA IT projects provided him with experience of organisations and how to improve their work practices.

Leigh is committed to representing and voicing the interests of **all** Bridgetown & Greenbushes residents and not beholden to any one particular interest or group.
