Election Type	Extraordinary

CHRISTENSEN, Mike

Recently retired, my wife and I moved to Bridgetown after living on a small farm near Greenbushes since 1996.

I have worked for many years in aquaculture, landcare and community development, most recently with the South West Catchments Council, and have been a long-standing member of the Catterick bushfire brigade and the Bridgetown-Greenbushes Sustainability Advisory Committee.

My passion is the environment coupled with sustainable and healthy living, and I believe that local government can play a major role in enabling those goals for everyone in the shire. I believe in transparency, accountability and participation for all community members, and would strive to promote these values if elected.

Contactable at 103 Steere Street, Bridgetown and on my mobile 0428 111 405.
