

7 D's of Strong Clubs

This FREE interactive and informative workshop will explore seven defining areas for Club committees to consider and action to make their Clubs stronger. It will provide case studies of the good, the bad and ugly in club-land. It isn't rocket science and spending some time reflecting on how your club could improve in any of these seven areas will help position your Club for the future.

The workshop will include:

- Understanding the importance and benefits of club planning
- The roles and responsibilities within your Committee
- The governance and operational structure to support your Club
- Understanding your future volunteers and how you can support them
- Exploring ways to improve your committee meetings
