## Candidate Elke Browne (PhD)

A vote for Elke is a vote for growth, affordable housing, environmental protection, governance, integrity and innovation. I've lived and worked in the Shire since 2019 and was elected to Council in 2022. I am re-nominating with an even stronger sense of shared purpose, commitment and service to the community. I have a strong willingness to support and contribute to Council. I am part of various advisory bodies and actively contributed to the recruitment of a new CEO, the Bridgetown Visitors Centre relocation, and the exciting new industry-Shire partnership. My leadership skills include Human Resources, government administration, strategic policy direction and efficient resource allocation. I will continue to relay and support residents' concerns and views and look forward to again actively contributing to planning the exciting future for the Shire. I once again ask for your support and vote to continue my work.
