As a dedicated community member with 25 years of residence, employment, and volunteering experience in Bridgetown, I have actively contributed to our community through involvement in organizations, including principal of Bridgetown Primary, fire services, Tour of the Blackwood (supporting youth mental health), Blackwood Marathon, Rotary, The Blues and the local Suicide Prevention Network, serving as a volunteer, committee member and leader.

With my leadership and interpersonal skills, I aim to continue serving our community. While I value Bridgetown's character, I recognize the need to adapt to changing conditions including housing, tourism, and climate change. By fostering partnerships with the state government and Greenbushes mine representatives, we can address these challenges and explore innovative projects. Safeguarding our robust volunteer base also remains a priority.

I believe together we can address current challenges while creating a resilient and vibrant future for our Shire.
