

Candidate Details

Ballot paper name	REDMAN, Rebecca
Candidate name	Rebecca REDMAN
District	Shire of Bridgetown-Greenbushes
Nominating for	Councillor for Shire of Bridgetown-Greenbushes
Election type	Ordinary
Enrolment status	REDMAN, Rebecca is eligible to stand for election as a resident of the Shire of Bridgetown-Greenbushes.

I am a 37 year old Bridgetown resident, business owner and mum. My daughter Molly is in pre-primary at Bridgetown Primary School and I'm a member of the school board. I co-own and run Hemp Squared in Rose St, having previously worked at the Shire in Community Services for 4 years.

I am open minded, approachable and pragmatic, and do not shy away from asking difficult questions. I believe I would make a positive and active contribution to Council, whose makeup and performance should reflect the diversity and enthusiasm of local residents and volunteers.

I understand challenges facing property owners and renters. Council has an important role to play in addressing housing needs while maintaining our lure as a tourist destination. The unique charm and character of our Shire must be preserved while we meet the evolving needs of residents. We must ensure that our community shares in the success of large corporations that operate here, building a positive future for Bridgetown-Greenbushes.
