FOR: Crs T Lansdell, J Boyle, M Fletcher, L Pearce, T Pratico, R Redman, K Gillies, S Carstairs and S Butler**AGAINST:** Nil**CARRIED 9/0****IN BRIEF**

This report seeks Council's consideration of the appointment of a delegate and deputy delegate to represent the Shire on the Western Australian Local Government Association (WALGA) South West Country Zone. WALGA Zones provide an avenue for regional collaboration and input into State Council decisions that shape sector-wide policy and advocacy. Appointment will ensure the Shire maintains representation in regional and State-level discussions on matters affecting local government.

MATTER FOR CONSIDERATION

Council is asked to appoint one delegate and one deputy delegate to the WALGA South West Country Zone. Historically, the delegate has been the Shire President. Although not a requirement, it is an agreed practice throughout the zones that a local government elects their Shire President to be the representative. The Zone delegates for 2023-2025 were the Shire President, with Cr Pratico as deputy.

BACKGROUND

WALGA is the peak body representing local governments across Western Australia. The governance structure of WALGA is designed to ensure it is representative of all 139 member local governments.

WALGA operates through a system of Zones, which are autonomous groupings of geographically aligned local governments. Zones play an integral role in:

- Electing one or more representatives to the WALGA State Council
- Considering the State Council Agenda and providing direction and feedback.
- Acting independently to discuss and advocate on regional issues.

The State Council is WALGA's decision-making and representative body, responsible for sector-wide policy making and strategic planning. The relationship between State Council and the Zones underpins WALGA's advocacy on behalf of local governments at both the State and Federal levels. Zones are therefore critical in shaping WALGA's political and strategic direction.

Delegates are appointed by each local government to represent their Council at Zone meetings and make decisions at a regional level. Each Zone determines how many delegates each member may appoint and elects a Chair and Deputy Chair.

When a delegate is appointed to a Zone, they become eligible to nominate for State Council. As this is an election year, the November Zone meetings will include elections for State Council representatives and Zone Chair positions.

There are no sitting fees or reimbursements paid to Zone Delegates. State Councillors are entitled to travel reimbursement related to meeting attendance and receive an annual sitting fee.

South West Country Zone (SWCZ)

The Shire is a member of the South West Country Zone, which comprises of twelve local governments. Meetings are held on the third Friday of the month (in February, April, June, August and November) commencing at 9:30am, with hosting rotated between member local governments to showcase their communities.

Each member local government within the Zone is entitled to appoint one voting Delegate and any number of Deputy Delegates.

COMMENT

Appointment of WALGA Zone Delegates ensures the Shire continues to have a voice in regional and state-wide advocacy through WALGA's governance framework. Representation at the Zone level strengthens the Shire's ability to contribute to discussions on local government reform, funding, policy, and strategic initiatives affecting the sector. It is recommended that Council resolve to have the Shire President remain as Council's representative and elect a Deputy representative.
