OFFICER RECOMMENDATION

That Council Receives the October 2025 List of Accounts.

IN BRIEF

Council is asked to receive the list of payments made from the Municipal and Trust funds including a summary report of the corporate credit card transactions and other purchasing cards incurred by authorised card holders.

MATTER FOR CONSIDERATION

The Local Government (Financial Management) Regulations 1996 (the Regulations) require that where a local government has delegated to the Chief Executive Officer the exercise of its power to make payments from the municipal, trust funds or via purchasing cards, a list of those accounts paid in a month are to be presented to the council at the next ordinary meeting (Regulation 13 and 13A).

Payments have been in made in accordance with the Annual Budget adopted at the Special Council Meeting on 20 August 2025.

In October 2025 the list of accounts is summarised below:

| Municipal Direct Debits Payments | \$ 121,353.04 |
|---------------------------------------------|--------------------|
| Municipal EFT Payments | \$ 2,240,531.78 |
| Municipal Cheque Payments | \$ 1,089.85 |
| Corporate Credit Card Payments | \$ 2,342.92 |
| Fuel Card Payments | \$ 5,043.80 |
| BPAY Payments | \$ 4,837.33 |
| Licencing Direct Debit Payments (DoT Agent) | \$ 112,213.20 |
| Trust Payments | \$ 0.00 |
| Total Payments for October 2025 | \$ 2,490,405.91 |

BACKGROUND

Where the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, Regulation 13 requires that a list of accounts paid by the CEO is to be prepared each month showing for each account paid:

- a) the payee's name; and
- b) the amount of the payment; and
- c) the date of the payment; and
- d) sufficient information to identify the transaction.

The list of accounts is to be:

- a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
- b) recorded in the minutes of that meeting.

Regulation 13A states If a local government has authorised an employee to use a credit, debit or other purchasing card, a list of payments made using the card must be prepared each month showing the same information as above.

OFFICER RECOMMENDATION

That Council

- 1. Receives the September 2025 Financial Activity Statements
- 2. Approves a budget amendment transferring the budget of \$66,901 from account GS79 Farrell St Gravell Sheeting to account ZA02 Routine Road Maintenance Outside Unsealed Materials and Contracts
- 3. Approves a budget amendment transferring \$4,400 in account 1180520 Community Planning Development Projects from Salaries and Wages to Materials and Contracts.

IN BRIEF

The purpose of the report is for Council to receive the September 2025 Financial Activity Statements and approve 2 budget amendments that offset to \$0.

MATTER FOR CONSIDERATION

Regulation 34 of the Local Government (Financial Management) Regulations 1996 (the Regulations) requires a local government to prepare each month a statement of financial activity reporting on the sources and applications of its funds.

The Statement of Financial Activity provides Elected Members with a high-level oversight of operating and capital revenues and expenditures. It is also intended to link operating results with balance sheet items and reconcile with the end of month balances.

In accordance with the Regulations, a report must be compiled on variances greater than the percentage agreed by Council which is currently plus (+) or minus (-) 10% or \$20,000 whichever is the lesser amount, the exception being that any material variances of less that \$10,000 are non reportable.

For the period 1 July 2025 to 30 September 025:

- Operating Income is under budget by 2.02%; and
- Operating Expenditure is under budget by 5.66%.

The main variance between budget and actuals is due to the timing (phasing) of the budget within the financial year. As the budget was adopted in late August, it is expected that purchases that were awaiting budget approval will be ordered in the coming months.

Commentary in relation to the operating variances is provided at nature level.

Budget Amendments

Council is requested to approve two budget amendments to the budget this month. The first is a \$66,901 amendment to the Farrell Street clearing and widening project in account GS79 Farrell St Gravel Sheeting. This project is not proceeding during this financial year and the funds can be utilised

to top up the maintenance budget in account ZAO2 Routine Road Maintenance Outside Unsealed, due to the state of the roads following an extremely wet winter, requiring additional works across the Shire. Council was briefed on the reasons why this project would not be proceeding at the concept briefing held 8 October 2025.

The second amendment is to repurpose \$4,400 of the salaries and wages budget in the account 1180520 – Community Planning Development Projects which is below budget due to an ongoing vacancy and transfer it to the materials/contracts code to fund the purchase of subscription for the My Community Directory platform. My Community Directory is an online directory that is free for community organisations to list and manage their information, and free for the public to access to find community services and events so they can understand what's happening in their local community. Due to the large and diverse number of community groups within the Shire, the subscription will benefit the community, ensuring that club, group and community organisations can have up to date information out in the community on a platform that is self-managed and easy to find for prospective new members, volunteers and the wider community.

These amendments offset each other and have a nil affect on the budgeted surplus/deficit for 2025/26.

BACKGROUND

In its monthly Financial Activity Statement, a local government is to provide the following detail:

- a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c) of the Local Government Act;
- b) budget estimates to the end of the month to which the statement relates;
- c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates.
- d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and
- e) the net current assets at the end of the month to which the statement relates.

Each of the Financial Activity Statements is to be accompanied by documents containing:

- a) an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;
- b) an explanation of each of the material variances referred to in sub-regulation (1)(d); and
- c) such other supporting information as is considered relevant by the Local Government.

The information in a statement of financial activity is to be shown according to nature and type classification.

The Financial Activity Statement and accompanying documents referred to in sub- regulation 34(2) are to be:

- a) presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and
- b) recorded in the minutes of the meeting at which it is presented.

OFFICER RECOMMENDATION

- That Council Approves the amendment of the 2025/2026 Schedule of Fees and Charges relating to waste rubbish removal charges and the Bridgetown Leisure Centre seasonal pool and spectator fees.
- 2. Approves the waiving of the pool entry fee for adults (\$7.80), Concession and Youth (\$5.10) and Inflatable obstacle course fee (\$5.50) for the Australia Day Community Event in 2026.

IN BRIEF

Council officers have identified a number of amendments required to the Schedule of Fees and Charges, which are presented to council, with commentary for consideration. In addition, Council is asked to waive the pool entry fees and inflatable obstacle course fee for the Australia Day Community Celebration in January 2026.

MATTER FOR CONSIDERATION

The schedule of fees and charges is a statutory document required by local government outlining the fees and charges that are to imposed. During the course of the first quarter of the year, a number of amendments have been identified and are presented for council. These items will be advertised by public notice and will come into effect after the Shire has given 7 days local public notice as required by s6.19 of the Local Government Act 1996.

Waste

Shire officers have identified a miscalculation in several rubbish removal fees charges in the schedule, which has led to a reduction to the fee charged for number of fees for the waste facility. These charges have been recalculated to align with the 3.39% increase to all rubbish removal charges, and the number of tokens adjusted accordingly (equating to the equivalent of \$6.10 incl GST per token). Proposed amendments are listed below, with the fee to be superseded in red.

Shire officers are also requesting the removal of the line titled white goods. This has caused some confusion at the gate, as some white goods have additional charges as they need to be processed

or degassed, prior to recycling. White goods and appliances that can be recycled will continue to be free to customers.

The landfill facility has also experienced a number of safety issues in administering the items listed under Materials Available to the Public. The facility is not allowed to mulch timber furniture anymore so it goes into the skip bins. This has led to members of the public attempting to enter the skip bins and retrieve items. Likewise, the prospect of individuals coming into the facility with a Hiab or tilt tray to pick up a car body is fraught with danger. Shire Officers have been consulted and have recalled only a single enquiry about car bodies. Council is requested to approve the removal of this section of the fees and charges until we get to a point that the these items can be stored in a safe manner for the public to source.

Bridgetown Leisure Centre

The Bridgetown Leisure Centre set its fees and charges this year to come into effect from the 1st of October to coincide with their new point of sale systems implementation date. During the loading of fees into the new system it was identified that there was a miscalculation in the Pool Direct Debit Charge. The 25/26 adopted charge is \$15 per fortnight on a direct debit arrangement. Based on a standard 21 week season this equates to \$157.50 for the pool season. This is significantly below the annual adult charge of \$260 which equates to \$24.76 per fortnight.

The proposal is to increase the adult Pool Direct debit from \$15 per fortnight to \$26.80 per fortnight, which is a minor increase on the annual charge to account for the added admin associated with the setup and administration of the ongoing direct debit arrangement

Similarly, the adult concession pool direct debit is proposed to change from \$9.75 per fortnight (which over the 21 weeks is \$102.37) to \$17.45 per fortnight, for a total cost of 182.22 for the season. This is slightly higher than the upfront cost of \$169 for the season, to account for administration costs.

The annual membership to the pool is also to be renamed seasonal rather than annual for clarity, and all charges will be applied on a pro rata basis for people who join after the season started on the 1st of November 2025.

Family Pool Membership

In 2025/26 the family pool membership was removed from the schedule of fees and charges. This was due to the new POS system not being able to facilitate the application of 1 flat fee to multiple members under a family structure. Sine the adoption of the fees and charges the platform has had a system upgrade and is able to provide this service so each family member will have a membership and can access the pool, covered by the one membership charge.

The charge proposed for family seasonal pool memberships is \$520 per family, made up of 2 adults and 2 children, or alternatively one adult and three children. The fee has been set at the equivalent of 2 adult memberships, with children being free under this arrangement. Concession family seasonal member are proposed to be \$338 per family.

Families have the option of paying upfront or via a direct debit arrangement at \$53.60 per fortnight or \$34.90 per fortnight for concession, to spread the cost over the 21 week season. This charge is on a pro rata basis from the opening of the pool season on the 1st of November.

If the family had a family pass at the end of the last season, they qualify for the renewal rate which is proposed to be set at \$468, available as a direct debit arrangement for \$48.30 per fortnight.

Spectator Fees

Officers have also investigated the spectator fee due to recent queries from the community. The spectator fee is currently \$2 per person and was reintroduced with the intention to cover amenities costs that spectators use whilst at the facility. It is proposed that this fee be removed from the schedule of fees and charges with spectators to be free, in line with other recreational facilities such as Manjimup.

Pool Fees for Australia Day

In preparation for the Australia Day Community Celebration Council is requested to approve the waiving of pool entry fees and obstacle course fees for the January 2026 Celebration to ensure the event is free for all members of the Community to attend and participate.

The primary risk highlighted in this report is the potential shortfall in generating sufficient income to cover the costs of our waste services. A secondary but significant risk is the reputational impact of inaccurately pricing services, which could lead to either overcharging or undercharging the community.

IN BRIEF

This report seeks Council's consideration to:

- Appoint Councillors to the Audit, Risk and Improvement Committee for the new Council term; and
- Appoint suitably qualified independent persons as the Presiding Member and Deputy Presiding Member, in line with forthcoming amendments to the Local Government Act 1995 requiring independent oversight.

MATTER FOR CONSIDERATION

Council is requested to:

- 1. Appoint Councillors to the Audit, Risk and Improvement Committee for the term ending 16 October 2027.
- 2. Appoint independent persons to the roles of Presiding Member and Deputy Presiding Member to the Committee.
- 3. Confirm remuneration and conditions for independent members.
- 4. Acknowledge the Committee's continuing role in providing independent oversight of financial management, governance, and risk.

BACKGROUND

The Audit, Risk and Improvement Committee is established under Section 7.1A of the *Local Government Act 1995*. The Committee meets quarterly and performs the functions outlined in Regulation 16 of the *Local Government (Audit) Regulations 1996*, which include:

- Assisting the local government in carrying out its functions under Part 6 (financial management) and Part 7 (audit) of the Act;
- Reviewing the CEOs reports under Regulation 17 and reporting results to Council;
- Monitoring and advising the CEO on the effectiveness of risk management, internal control, and legislative compliance;
- Supporting the auditor in performing statutory duties; and
- Overseeing the implementation of audit recommendations and legislative compliance actions.

The *Local Government Amendment Act 2024* introduces further changes to strengthen independent oversight by:

- Requiring that the Committee be chaired by an independent Presiding Member and supported by an independent Deputy Presiding Member;
- Prohibiting current Councillors or local government employees from serving as Presiding or Deputy Presiding Members;

- Allowing transitional provisions of six months for local governments to establish the amended committee structure; and
- Allowing for shared committees between two or more local governments, where appropriate.

An Expression of Interest (EOI) process was conducted through WALGA to identify qualified candidates for the independent roles.

- Sixteen candidates registered interest.
- Five have been shortlisted based on proximity to Bridgetown and availability.
- Five candidates are available for either full in-person or remote attendance. Attached are their responses to the WALGA EOI, labelled Candidate 1, Candidate 2, Candidate 3, Candidate 4 and Candidate 5.

COMMENT

The Audit, Risk and Improvement Committee forms a key part of council's governance and accountability framework.

The inclusion of both councillor and independent members ensures balanced representation, transparency, and informed decision-making.

The appointment of an independent presiding member and deputy presiding member will meet legislative requirements and enhance impartiality in committee proceedings. Council's appointment of Councillor members will ensure continuity of oversight and support for strategic governance priorities.

The recommended approach ensures compliance, fosters independence, and strengthens community confidence in Council's financial management, risk control, and governance performance.

OFFICER RECOMMENDATION

That Council, in accordance with the provisions of the *Local Government Act 1995* and relevant legislation:

1. Appoints Councillors to the following Committees and Groups for the 2025/2027 term as outlined in the Committee Representation Summary:

| Committee / Group | Number of Councillors | Appointed Members |
|--------------------------------------------|--------------------------|-------------------|
| Access & Inclusion Advisory Committee | 1 | |
| Bush Fires Advisory Committee | 3 | |
| CEO Performance Review Committee | 3 | |
| Local Emergency Management Committee | 3 | |
| Youth Services Advisory Committee | 2 | |
| RoadWise Working Group | 1 | |
| Bridgetown Greenbushes Tourism Association | 2 | |
| South West Regional Road Group | 2 | |
| Warren Blackwood Alliance Councils (WBAC) | 2 | |
| WBAC Climate Change Reference Group | 2 | |
| | | |

IN BRIEF

Council is requested to nominate and appoint elected members to the Shire's Advisory Committees and other Council-related groups.

This ensures effective representation and allows committees and groups to continue their functions in accordance with their terms of reference and legislative basis.

Nominations will be called for positions where Councillor representation is required, noting that some Committees have more potential nominations than available positions.

MATTER FOR CONSIDERATION

Council is asked to:

- 1. Nominate Councillors to the various Advisory Committees and groups; and
- 2. Approve the appointments to take effect immediately following this meeting.

| Committee / Group | Number of Councillors | Nominated Members | Appointed Members |
|--------------------------------------------------|--------------------------|-------------------|-------------------|
| Access & Inclusion Advisory Committee | 1 | | |
| Bush Fires Advisory Committee | 3 | | |
| CEO Performance Review Committee | 3 | | |
| Local Emergency Management Committee | 3 | | |
| Youth Services Advisory Committee | 2 | | |
| RoadWise Working Group | 1 | | |
| Bridgetown Greenbushes Tourism Association | 2 | | |
| South West Regional Road Group | 2 | | |
| Warren Blackwood Alliance Councils (WBAC) | 2 | | |
| WBAC Climate Change Reference Group | 2 | | |

BACKGROUND

The Shire of Bridgetown-Greenbushes maintains a number of Committees and Groups to support Council in governance, statutory compliance, strategic decision-making, and community engagement. These include:

 Advisory Committees that provide advice and guidance on specific operational or strategic matters, including access and inclusion, youth services, bushfire management, and CEO performance.

- Regulatory or Statutory Committees, such as the Local Emergency Management Committee, established under the *Emergency Management Act 2005*.
- External Committees and Organisations where Councillor representation ensures the Shire's interests are considered in regional planning, policy development, and stakeholder engagement.

The Committee Representation Summary provides an overview of each Committee/Group, including:

- Membership requirements.
- Legislative basis.
- Meeting frequency.
- Key responsibilities.

Following the recent Council elections, it is necessary to confirm Councillor representation to:

- Ensure compliance with statutory obligations.
- Maintain continuity of operations.
- Support effective community engagement.
- Provide clear governance and accountability.

RISK MANAGEMENT

Confirming Councillor representation on Committees and Groups helps to manage key risks associated with governance, operations, and community engagement:

- Compliance risk: Ensures Council meets legislative requirements for Committee membership and operation.
- Governance risk: Provides oversight of strategic, financial, and operational matters, supporting informed decision-making.
- Community engagement risk: Ensures the community has appropriate representation and input into Council decision-making processes, fostering trust and transparency.
- Reputational risk: Demonstrates Council's commitment to accountability, openness, and responsiveness to community needs.
- Operational risk: Maintains continuity of advice and guidance to Council, supporting effective delivery of services and strategic initiatives.

By confirming nominations, Council strengthens governance while promoting active community participation and stakeholder engagement in Shire decision-making

COMMENT

Confirming Councillor representation on the Shire's Committees and Groups ensures that Council meets its statutory obligations, maintains effective governance, and strengthens engagement with the community and key stakeholders. This process provides clarity for Councillors on their roles and responsibilities and supports the smooth operation of each Committee, allowing them to provide informed advice and guidance to Council.

17.3 Delegated Authority – Relief Ranger (Bush Fires Act 1954)

OFFICER RECOMMENDATION

That Council, pursuant to sections 59 and 59A of the *Bush Fires Act 1954*, delegates authority to the Director Development and Regulatory Services and Relief Ranger to:

- 1. institute and carry on proceedings against a person for an offence alleged to have been committed under that Act; and
- 2. serve infringement notices for offences under that Act.

IN BRIEF

Council's Delegations Register currently provides authority under section 59 and 59A of the *Bush Fires Act 1954* to the Chief Executive Officer and Senior Ranger. With the Senior Ranger currently on leave, Council approval is sought to delegate the same powers to the Director Development and Regulatory Services and Relief Ranger to ensure ongoing enforcement and compliance during the bushfire season.

As section 48(3) of the *Bush Fires Act 1954* prohibits sub-delegation, a direct delegation from Council is required.

MATTER FOR CONSIDERATION

To consider delegating authority to the Director Development and Regulatory Services and Relief Ranger to institute prosecutions and issue infringement notices under the *Bush Fires Act 1954*.

BACKGROUND

Sections 59 and 59A of the *Bush Fires Act 1954* allow a local government to delegate authority to institute prosecutions and issue infringement notices.

Delegation 3.1.11 in the Shire's Delegations Register currently delegates this authority to the Chief Executive Officer and Senior Ranger. With the Senior Ranger on leave, it is operationally necessary to extend the delegation to the Director Development and Regulatory Services and Relief Ranger to ensure authorised officers are available to inspect, enforce, and issue infringements when required.

COMMENT

The Senior Ranger's absence leaves the Chief Executive Officer as the only officer with authority to issue infringement notices under the *Bush Fires Act 1954*. It is not practical or efficient for the CEO to exercise these powers.

Extending this delegation to the Director Development and Regulatory Services and Relief Ranger will ensure continued enforcement of bush fire compliance during the fire season. If approved, the Delegations Register will be updated accordingly.

STATUTORY ENVIRONMENT

Bush Fires Act 1954

s.59 Prosecution of offences

(3) A local government may, by written instrument of delegation, delegate authority generally, or in any class of case, or in any particular case, to its bush fire control officer, or other officer, to consider allegations of offences alleged to have been committed against this Act in the district of the local government and, if the delegate thinks fit, to institute and carry on proceedings in the name of the local government against any person alleged to have committed any of those offences in the district, and may pay out of its funds any costs and expenses incurred in or about the proceedings.

s.59(A) Alternative procedure – infringement notices

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

There are no financial implications arising from this delegation. The Relief Ranger position is funded within the existing operational budget.

STRATEGIC COMMUNITY PLAN

14 Effective governance and financial management.

This delegation supports effective and compliant governance through continuity of service delivery and enforcement under the *Bush Fires Act 1954*.

CORPORATE BUSINESS PLAN

14 Effective governance and financial management.

Supports the operational function of ranger services through appropriate delegation of statutory powers.

That Council:

1. That Council resolves to discontinue the practice of holding Question and Answer (Q&A) sessions one week prior to the Ordinary Council Meeting each month, effective immediately.

and

2. Endorses the following schedule of Ordinary Council Meetings for 2026, to take place at 5.30pm in the Shire of Bridgetown-Greenbushes Council Chambers, excepting May and November, where the Ordinary Council Meetings are to be held at the Greenbushes Community Resource Centre:

Thursday 26 February 2026 Thursday 27 August 2026

Thursday 26 March 2026 Thursday 24 September 2026

Thursday 23 April 2026 Thursday 22 October 2026

Thursday 28 May 2026 Thursday 26 November 2026

Thursday 25 June 2026 Thursday 17 December 2026

Thursday 23 July 2026

IN BRIEF

This report presents the 2026 Council Meeting and Engagement Schedule for endorsement.

In accordance with the *Local Government (Administration) Regulations 1996*, s.12(2), the Chief Executive Officer must publish the date, time, and location of all Ordinary Council Meetings on the Shire's website before the beginning of the year in which the meetings are to be held.

MATTER FOR CONSIDERATION

Council is requested to endorse the proposed schedule of Ordinary Council Meetings for the 2026 calendar year.

Once adopted, the schedule will be advertised through the Shire's communication channels, including the website, noticeboards, and social media, in accordance with legislative requirements.

BACKGROUND

The proposed 2026 schedule shows the current meeting structure, with Ordinary Council Meetings (OCM) held on Thursdays at 5.30 pm.

To strengthen community engagement, Council continues its practice of hosting selected meetings in Greenbushes - specifically in May and November - at the Greenbushes Community Resource Centre. This approach supports a more accessible and inclusive governance model for residents across the Shire.

The Question and Answer sessions were implemented in February 2025 on the advice of the then Acting CEO. Whilst there was some interest from the community initially, most recently these have been poorly attended. A recent discussion with Council indicated a preference to discontinue this practice but for the OCM Agenda to be released at least one week prior to the monthly OCM to allow Councillors and community members to submit questions prior to the OCM. The Administration has committed to making the agenda available on the Wednesday of the week prior to the Thursday OCM.

The accompanying 2026 Council Meeting and Engagement Schedule (Attachment 1) provides a clear overview of all meeting dates, reinforcing transparency and predictability for elected members, staff, and the community.

STATUTORY ENVIRONMENT

Local Government (Administration) Regulations 1996

- r.12. Publication of meeting details (Act s. 5.25(1)(g))
 - (1) In this regulation meeting details, for a meeting, means the date and time when, and the place where, the meeting is to be held.
 - (2) The CEO must publish on the local government's official website the meeting details for the following meetings before the beginning of the year in which the meetings are to be held

COMMENT

The proposed 2026 Council Meeting and Engagement Schedule ensures continued transparency, accessibility, and community participation in local governance.

By maintaining the existing format and incorporating district wide engagement through meetings in Greenbushes, the Shire continues to promote effective decision-making and uphold its commitment to open and accountable governance.

Once adopted, the 2026 meeting schedule will be publicly advertised and incorporated into Council's communication and engagement calendar.
