

KERBSIDE HARD WASTE COLLECTION

Bridgetown, Greenbushes, Hester

2nd December — 6th December 2024

This is **ONLY** available to residential properties that have an **existing Roadside Rubbish Collection Service**.

- Items must be placed on the verge prior to the start of the collection week but no earlier than 2 weeks before. Once the collection service has completed an area it will not return to that area so items placed late may **NOT** be collected.
- Please **do not obstruct** footpaths or essential services such as fire hydrants, sewer or stormwater access, telecommunications, electrical transformers or power domes. Items should not pose a danger or inconvenience to others.
- Items longer than 2 meters will **not** be collected.
- A **maximum** of 3 cubic meters of waste will be collected per property.

General Waste, Scrap Metals and E-Waste MUST be separated

This service can collect
