

# WM 2 – Disposal of Liquid Waste at Bridgetown Waste Management Facility

---

## 1 Policy

The disposal of liquid waste at the Bridgetown Waste Management Facility is restricted to only that waste collected from properties within the boundaries of the Shire of Bridgetown-Greenbushes.

The Shire will assess all controlled waste tracking forms and if any breaches of the Policy occurs the Shire (via the CEO) reserves the right to suspend temporarily or permanently access to the site by any contractor who breaches the Policy.

If it can be shown there are environmental health or environmental impacts on a regional scale that would justify a one-off or greater acceptance of liquid waste from outside the boundaries of the Shire of Bridgetown-Greenbushes the CEO may waive the limitations of the Policy. In such a case a volumetric charge would be applied.
