## **Town Planning**

Pursuant to the *Planning and Development Regulations 2009*, Schedule 2 fees are to be paid at the time of application and are non-refundable, unless stated below.

Many fees (e.g. – development application fees, building fees, swimming pool inspection fees, dog/cat fees, FOI fees, etc.) are regulatory and Council does not have the discretion to set fees higher than permitted by the applicable legislation. If these fees are changed during the year the revised fee automatically replaces the fee referenced in Council's schedule of fees & charges without the need for Council to formally modify the schedule. Please note not all regulatory fees are included in this document.

#### Part 1 - Development Applications - Fees Determined by Regulation – Schedule 2

#### Notes:

- Applicants are to provide details of estimated cost of development (includes any earthworks, materials, labour, design, car parking, etc.).
- Delegated Authority has been provided to the Chief Executive Officer to estimate the value of proposed development. If applicants disagree with the estimate made by the Shire, reconsideration can be requested if evidence of the cost of development can be provided. If applicants still dispute the estimated cost determined by the Shire the matter can be referred to the Fees Arbitration Panel (WAPC, WALGA) for determination.
- The application fee for establishment of a Home Business may be waived for applicants registered on the Self-employment Assistance Scheme.
- Council has resolved to waive development application fees associated with the development of fire bunkers in any of the rural
  parts of the Shire of Bridgetown-Greenbushes.
- Home Occupation and Home-Based Businesses are treated as the same use, and are both charged as Home Occupation in accordance with the *Planning and Development Regulations 2009 Schedule 2.*
- Applications for development approval of signage will be determined in accordance with minimum fee of the cost of development being \$147.00.
- Applications for development approval for Afforestation will be calculated in accordance with schedule 2 based on an establishment cost for first plantation and cost for second rotation of \$2000 per Hectare.
- Determination of whether an application for amended plans is "minor" or "major" will be made by the Manager Development Services (or person acting in that capacity), dependent upon the complexity of the application. Applicants aggrieved by that determination can appeal to the Chief Executive Officer.

All fees as per Building Regulations 2012.

Many fees (e.g. – development application fees, building fees, swimming pool inspection fees, dog/cat fees, FOI fees, etc.) are regulatory and Council does not have the discretion to set fees higher than permitted by the applicable legislation. If these fees are changed during the year the revised fee automatically replaces the fee referenced in Council's schedule of fees & charges without the need for Council to formally modify the schedule. Please note not all regulatory fees are included in this document.
