Enrolment status

BOYLE, Julia is eligible to stand for election as a resident of the Shire of Bridgetown-Greenbushes.

I have lived in the shire for over 40 years and I am involved in many and varied community groups.

I am nominating for a fourth term on council and will continue to offer an independent and thoughtful viewpoint on all council issues.

I believe I still have a positive contribution to make to the wellbeing of the community that I love and add to the diversity of local representation and help people address their concerns on council issues.

I also bring a wide and varied experience, having worked and volunteered for decades with numerous community groups and services.

I very much value the relaxed and open lifestyle that so many Bridgetown-Greenbushes residents have known all their lives and enjoy seeing new residents discover all that the shire has to offer.
