District	Shire of Bridgetown-Greenbushes
Nominating for	Councillor for Shire of Bridgetown-Greenbushes
Election type	Ordinary
Enrolment status	LANSDELL, Tracy is eligible to stand for election as a resident of the Shire of Bridgetown-Greenbushes.

I would love to continue serving on council. As Shire President during 2025, my priority has been to build strong, positive relationships with councillors, staff, community members/groups, key stakeholders, businesses, neighbour councils & government to create positive change.

As a successful businesswoman, with 29yrs of experience in health care - including 22 as a Naturopath - & nearly two decades living, raising a family & volunteering here, I bring to council practical insights & hands-on experience in community care & inclusive understanding.

Our Shire is at a pivotal point. Achieving a balance between industry success, social responsibility & environmental stewardship will be fundamental for a holistic approach that supports the wellbeing of all. A progressive council is vital to aspire to this.

Delivering quality core business, advocacy, collaboration & strengthening our connections are essential for our future success. There's lots to accomplish & I hope to be a part of the team.
