Election type	Ordinary
Enrolment status	BUTLER, Stephen is eligible to stand for election as a resident of the Shire of Bridgetown-Greenbushes.

Having managed human and physical resources in senior positions at all levels of government, I'm confident I have the knowledge & skill set to achieve results as a Councillor for the ratepayers of Bridgetown-Greenbushes Shire.

Service with the following organisations has provided me with the ability to manage resources, finance & governance issues.

WA Police (Senior Sergeant)

AFP, with service in Papua New Guinea, East Timor & with the United Nations in Timor Leste

State Compliance Manager with the Federal government

Security Superintendent for Argyle Diamonds

Manager of Community Safety for a large metropolitan Council

The Shire requires a review of its high debt levels, management practices & spending priorities. We need to be spending smarter, reducing unnecessary expenses & keeping rates affordable, whilst not impacting on services.

This a great opportunity to provide fresh eyes to ongoing issues that continue to concern our community. We need a stronger Council to get these issues fixed.
